

## MIST body holds 17th meeting

### Admin

#### United News of Bangladesh . Dhaka

The 17th meeting of the governing body of Military Institute of Science and Technology was held at the Institute at Mirpur Cantonment in the capital on Wednesday.

Engineer In-Chief of Bangladesh Army Major General Hameed-Al-Hasan presided over the meeting.

MIST Commandant Major General Habibur Rahman Khan, high civil and military officials and renowned professors from the University of Dhaka and Bangladesh University of Engineering and Technology were present on the occasion.

The commandant informed the meeting that a total of 992 students, 427 military and 565 civil, of various engineering

discipline including

MBA programme have been graduated from the MIST.

A good number of civil graduated students are pursuing higher education at home and abroad and some are pursuing their career in government and multinational sector.

In this way, MIST is contributing to human resource and infrastructural development in the country.

Academic calendar 2010-2011 of MIST, constitution of MIST Alumni Association, stipend to the financially insolvent students, policy for awarding 'MIST Blue' to students, purchasing vehicles for students were discussed in the meeting and appropriate decisions were taken.
